"IT SAVED MY LIFE"

PRAISE FOR A FAMOUS MEDICINE

Mrs. Willadsen Tells How She Tried Lydia E. Pinkham's Vegetable Compound Just in Time.

Dear Mrs. Pinkham—

"I can truly say that you have saved my life, and I cannot express my gratitude to you in words."

Mrs. T. C. Willadsen

"Before I wrote to you, telling you how I felt, I had doctor for over two years steady and spent lots of money on medicines besides, but it all failed to help me. My monthly periods had ceased and I suffered much pain, with fainting spells, headache, backache and bearing-down pains, and I was so weak I could hardly keep around. As a last resort I decided to write you and try Lydia E. Pinkham's Vegetable Compound, and I am so thankful that I did, for after following your instructions, which you sent me free of all charge, my monthly periods started; I am regular and in perfect health. Had it not been for you I would be in my grave to-day."

"I sincerely trust that this letter may lead every suffering woman in the country to write you for help as I did."

When women are troubled with irregular or painful menstruation, weakness, leucorrhoea, displacement or ulceration of the womb, that bearing-down feeling, inflammation of the ovaries, backache, flatulence, general debility, indigestion and nervous prostration, they should remember there is one tried and true remedy, Lydia E. Pinkham's Vegetable Compound at once removes such troubles.

No other female medicine in the world has received such widespread and unqualified endorsement. Refuse all substitutes.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

CANNOT EXTEND THE FRANCHISE

ANDREWS' OPINION REGARDING THE HILO-KOHALA RAILWAY'S TIME LIMIT.

Attorney General Andrews yesterday furnished Superintendent of Public Works Holloway with an opinion regarding his authority to grant an extension of the franchise for the Hilo-Kohala railway, beyond the time, in April, when it will expire. The attorney general holds that the superintendent has no such power. The result may be the forfeiture of the Peck enterprise, as Peck desired assurances that he would have till the first of August in order to secure needed capital. The attorney general's opinion says:

"This franchise was granted during the transition period, which allowed the Minister of the Interior to grant franchises by and with the consent of the Executive Council, and this franchise in question was so granted and approved by President McKinley, under the rulings from Washington as to such matters. This power has now been taken away from the Minister of the Interior and franchises must now be granted by the local Legislature with the proviso that special and exclusive franchises must also have the consent of Congress. It is, therefore, out of the question for the Superintendent of Public Works to, at this time, amend and alter the terms of a franchise by agreement with the other party thereto as, by doing so, he would be granting a new franchise to the extent of the amendment or alteration, and this power has been taken from him."

"The question remains whether the superintendent can extend the time of said corporation within which it is to perform a certain act. In this particular, the contract reads as follows:

"And if the said corporation shall not have completed the said railroad or railroads and branch lines within three years from the date of the approval of the location as aforesaid, then the said Minister of the Interior shall have the right and privilege to declare forfeited the franchise of said company to construct the said railroad or railroads as aforesaid; provided, however, that such forfeiture shall not take effect until written notice that such forfeiture is to be enforced, is served upon the corporation; and further provided, that nothing herein contained shall be construed to prevent the said corporation from hereafter, from time to time: locating, constructing and operating other branch lines in said districts, subject to the approval of the Minister of the Interior."

"There is no other proviso whereby the Minister of the Interior or the Territory of Hawaii is allowed to extend the time of said corporation in which to complete its work, except upon unforeseen contingencies specified in the contract, none of which has arisen."

"I understand the contention is made, however, that this provision as to forfeiture is optional with the Minister of the Interior, and that, therefore, they have unlimited time, within his discretion, to complete the road and within which to do and complete the various work set forth. With this view, however, I do not wholly agree. While the terms of the contract are vague and uncertain, and there is ground for the contention that the Minister of the In-

friendship and political scheming should give place to careful consideration. The man must be qualified or else the administration of justice becomes a farce.

I call upon Alexander George Morris Robertson, President of the Bar Association, to take action. Let us meet. Let us vote like men. Let us cable the result of the vote to the President.

If the proposed appointment is made I shall sever my connection with what is called the Republican party in this Territory for the man who has been named is not qualified at the present time to fill the high place to which it is proposed to call him, and investigation by the Governor will reveal that such is the fact. Gentlemen of the Bar meet and take action tomorrow for the interests are too great to be neglected.

Yours sincerely,

GEO. A. DAVIS,

A member of the Bar Association.

THE MAGOON CASE

A meeting of the Bar Association has been called for Monday, March 13, at four in the afternoon, to consider the matter of the charges made by Bailou against J. Alfred Magoon. The meeting will be held at the Republican headquarters on Fort street. President Robertson of the association has sent the following letter in reply to Andrews' letter referring the matter to him:

"Lorin Andrews, Esq., Attorney-General:

"Dear Sir: Your letter of the 27th ult. was duly received. In reply I beg to say that I will call a meeting of the Bar Association to consider the matter of the complaint of Mr. A. S. Bailou against Mr. J. A. Magoon, filed recently in the Supreme Court."

"Under our by-laws, ten days' notice of the meeting must be given."

"Yours very truly,

(Signed) A. G. M. ROBERTSON."

RAPID TRANSIT OIL CARRYING.

A petition from property owners on the Queen street extension, asking the granting of the request of the Rapid Transit Company to extend its tracks along the extension between Nuuanu stream and the Iwilei road being granted, has been received by Governor Carter. The principal reason for the extension is to provide for transportation of oil. The cars will go to the oil tanks and the Rapid Transit will be able to carry oil to its own power houses and to the government pumping stations.

The Minister of the Interior may use his discretion as to whether he shall declare a forfeiture upon the failure of the company to strictly comply with the terms of its contract, on the other hand, the Minister of the Interior is acting not for himself, but for the Territory of Hawaii, and I do not believe it would be right or lawful for him to abuse the discretion vested in him under this section by extending such period indefinitely, or by making any new terms with the corporation, in view of which he agrees to waive said forfeiture. There is also serious question, it seems to me, how far, in a public franchise of this kind, the Minister of the Interior can waive forfeiture, in view of the fact that he no longer has power to grant, change or amend such franchises."

"My opinion would be that the most you could do under this contract would be to inform the Kohala and Hilo Railway Company that you will not enforce the forfeiture within a reasonable time after their failure to comply with the conditions, unless matters should develop wherein injury to the Territory of Hawaii would result by your failure to declare such forfeiture. This, it seems to me, is the limit to which your discretion could go, and we are straining the construction of the franchise, in my opinion, to go as far as this."

"Yours very truly,

(Signed) L. A. ANDREWS,

"Attorney-General."
